

## Hermie the Worm

Sitting on a fence post chewing my bubblegum

\*chewing noises\*

Playing with my yo-yo, woo! woo!

And along came Hermie the worm

He was this big

I said, "Hermie, what happened?"

I ate breakfast

Sitting on a fence post chewing my bubblegum

\*chewing noises\*

Playing with my yo-yo, woo! woo!

And along came Hermie the worm

He was this big

I said, "Hermie, what happened?"

I ate lunch

Sitting on a fence post chewing my bubblegum

\*chewing noises\*

Playing with my yo-yo, woo! woo!

And along came Hermie the worm

He was this big

I said, "Hermie, what happened?"

I ate dinner

Sitting on a fence post chewing my bubblegum

\*chewing noises\*

Playing with my yo-yo, woo! woo!

And along came Hermie the worm

He was this big

I said, "Hermie, what happened?"

I ate dessert
