

Make New Friends

Make new friends
But keep the old
One is silver
And the other, gold

A circle is round
It has no end
That's how long
I'm gonna be friend

A fire burns bright
It warms the heart
We've been friends
From the very start

You help me
And I help you
And together
We will see it through

The sky is blue
The earth is green
I can help
To keep it clean

Across the land
Across the sea
Friends forever
We will always be
