

On My Honor

On my honor I will try
There's a duty to be done and I say aye
There's a reason here and a reason above
My honor is to try and my duty is to love

People don't need to know my name
If I've done any harm then I'm to blame
If I've helped another then I've helped me
If I've opened up my eyes to see

I've tucked away a song or two
If you're feeling low, there's one for you
If you need a friend, then I will come
And there's plenty more where I come from

On my honor I will try
There's a duty to be done and I say aye
There's a reason here and a reason above
My honor is to try and my duty is to love

Come with me where the fire burns bright
We can even see better by candle's light
And we'll find more meaning in a campfire's glow
Than we'll ever learn in a year or so

We've made a promise to always keep
And we pray night falls before we sleep
We'll be scouts together and when we're gone
We'll still be trying and singing this song

On my honor I will try
There's a duty to be done and I say aye
There's a reason here and a reason above
My honor is to try and my duty is to love
