

## The Donut Song

Well I walked around the corner and I walked around the block  
And I walked right into a donut shop  
And I picked up a donut right out of the grease  
And I handed the lady a five cent piece

Well, she looked at the nickel and she looked at me  
And she said, "This money isn't good you see.  
There's a hole in the middle, I can see right through."  
And I said, "There's a hole in the donut, too!  
Thanks for the donut, so long!"
